MUNICIPAL NEWS

Some Items of Interest From the Public Offices About Occurrences of the Week.

It is singular that the "Bureau of Public Efficiency" never gave any attention to the Civil Service Department of the city government. Very singular.

The only things that the Civil Service administration has ever done outside of destroying the efficiency of the police department and impairing the efficiency of the fire department, was to run a neck and neck race with the House Drain department in the percentage of restful men kept on its rolls.

It has done something else. It has created morals inspectors, Public welfare inspectors, Industrial psychologists, Thought inspectors, And every other ridiculous form of salary extracting fads except Tom Cat inspectors.

But the creation of these has possibly been postponed until some especially favored friends can be imported to hold the jobs and the right sort of questions are framed up for them.

The people demand that not only the peculiar civil service branch, where men are said to be stepping on

each other for lack of something to do, be given attention, but they also demand that three-quarters of the bums shielded by "Civil Service" in other departments be fired forthwith.

This will give an opportunity to the people who elected Mr. Thompson by 147,000 majority to start in with a clean sheet.

Meeting hours for City Council committees are as follows:

Monday—Streets and alleys, 9 o'clock; buildings, 2:30 o'clock. Tuesday—Schools and police, 11 o'clock; harbors, wharves and bridges, 2 o'clock; local industries, 2 o'clock. Wednesday—Special park commission, 10:30 o'clock; health, 2 o'clock; local transportation, 2 o'clock; track elevation, 2:30 o'clock. Thursday—Gas, oil and electric light, 2 o'clock; license, 2:30 o'clock; water, 2:30 o'clock. Friday—Compensation, 11 o'clock; judiciary, 2 o'clock; finance, 2 o'clock; bathing beaches, 2:30 o'clock.

Judge James C. Martin is making a good record on the municipal bench.
